givejedahand Points #West of #CAMHFOUNDATION - definitely #Beyondthemoon as #CAMH #CEO Catherine Zahn likes to #babble when she's #fundrasing for Dr #Rat #Brain Sean Hill's #artificialintelligence over at #Krembil #Neuroinformatics - where #transformingLIVES? someone named #Trance? - #who? #what? #when? #where? #why? and #how? Don't even bother ssking. It's all a #crockofshit. It's #SCAMH - #scamaitch in the #streetsoftoronto for #streetphotography #skylinerestaurant #QueenWest #Parkdale #Toronto #skylinerestaurant

mesenproductions Hey, I just looked at your profile and I believe you deserve to get much more traffic than what you're currently getting. I actually specialize in building brands! IIs that something you would be interested in hearing more about? DM

givejedahand @mesenproductions Thanks but I think you should offer your #services to Darrell Louise Gregersen over at #CAMHFOUNDATION or even to the #CAMH CEO Catherine Zahn herself because their #brand still #sucks notwithstanding their having #wasted #millions on it. And they have all the #money but no #wits either #artificialintelligence or otherwise.
